

Special menù

Dear customers, my name is Emanuele Scanu, I'm the young Chef of this kitchen and I want to thank you for choosing us. I've always embraced our island's traditions, I studied and re-elaborated them, always according to the season of products.

I would like to share my passion with you, and that's why every fifteen days I create a "special menù" to express my creativity.

Following by my proposals for this period :

Soft egg with chickpea cream, raw shrimp and crispy onion (1,2,3,5)	€ 20,00
Fresh tagliatelle with anchovy butter, lemon and mullet bottarga (1,3,4,7)	€ 20,00
Crispy mullet sphere with beetroot scabecciu and cream cheese (1,3,4,5,7)	€ 20,00

Kitchen is passion.....dedication...and creativity
